

RIFT TEE

One size does NOT fit all! We're so pleased to add this design to our class list, because the Rift Tee offers options for all. This will be a perfect project to ring in the New Year & have ready for early Spring!

Rift is an easy fitting Tee that offers a wide range of ease and finished sizes (40-72"), a custom-fit bicep and optional bust darts, using German Short rows. Worked from the bottom-up, the design features an attractive split high-low hem in Twisted Rib. Furthermore, you can choose between a V shape or Boat-neck, short or long sleeves.

Worked in a Sport or DK weight yarn and blocked to a lightweight, open gauge in the finishing process, we think a cotton blend such as Berocco's Remix Light would be a lovely yarn choice for your garment.

Rift will be a series of 6 classes in total; starting in the first session with Custom Design decisions. Four monthly classes will follow, enabling plenty of time to advance through each stage of your project. We can't wait to see how your Rift Tee will turn Out!

Project: The Rift Tee

Taught by: Liz Little

Description: 5 x 2 hour classes & 1 x pre-Class session

Cost: \$90 plus materials purchased at The Twisted Knitter

Dates: Saturday January 15th, pre-class session

Saturday January 22nd, 2-4pm

Saturday February 26th, 2-4pm

Saturday March 5th, 2-4pm

Saturday March 26th, 2-4pm

Saturday April 9th, 2-4pm

Skills needed: Basic garment making experience

Skills learned:

- Custom fit calculations
- How to follow a multi-page pattern
- Twisted Rib Stitch
- Working body in the round using the optional Magic Loop method
- German Short Rows, as used in optional bust dart shaping
- Neckline shaping
- Three needle Bind-Off
- Finishing Techniques

Materials needed

- Depending on finished garment size will range between 500 -1,025 yards cotton content yarn that will wet block to an open gauge of 16 stitches and 20 rows over 4". (Yarn featured in pattern photos has a slightly nubby, rustic look with moderate twist. We think Berrocco Remix would be a good choice and will be happy to help you select suitable yarn).
- 40" needles, sized as needed to obtain gauge. Plus a set of double point needles if not using Magic Loop.
- Basic knitting supplies including stitch markers, darning needle & an extra needle for 3 needle bind-off.

Preparation

- Pre-purchase yarn and needles. Make a 16 stitch & 20 row stocking stitch gauge swatch; wet block your swatch & bring to first class with appropriate size needles. Please ask Twisted Knitter if you need help with your swatch preparation.
- Read through the pattern and decide on your preferred neck shape and sleeve length for your personal project.
